REFRIGERATION

A Florist rated commercial refrigerator allows you to present flowers to your customers in perfect condition.

A Flower Fridge will extend the shelf life of your stock. Extending shelf life means money in your pocket.

Conserve precious cash flow, Flower Fridges 4 U can arrange full finance on your high end equipment .

Phone 1300 ORFORD

## PlanetSmart™ Technology—what does this mean?

Being PlanetSmart™ is about leaving the planet slightly better than how you found it.

What will your Flower Fridge cost to run

Many florists work from home and the cost of electricity is a major issue for them.

Don't get caught up worrying about electricity costs. Invest in energy efficient refrigeration
